

CALL FOR SUBMISSIONS

SHARE YOUR RECOVERY STORY!

The WSBC Conference Literature Committee is soliciting stories of recovery from OA members for the proposed revision of *Overeaters Anonymous*, Second Edition.

The committee is looking for stories that emphasize members' experience, strength and hope achieved through working and using the Twelve Steps, Twelve Traditions, Twelve Concepts of Service and nine tools of the Overeaters Anonymous program. The committee is interested in stories that focus on how members have achieved and maintained long-term physical, emotional and spiritual recovery.

We are seeking stories written from the perspectives reflected in our membership today. For example, we welcome recovery stories that reflect the diverse ethnic and cultural backgrounds as well as age and gender differences in our Fellowship. We are also looking for stories that show various ways the disease of compulsive eating manifests itself (for example, obesity, bulimia, anorexia, etc.) Your story may include physical, medical and mental health challenges that are part of your recovery. In addition, stories can incorporate experiences of recovery in non-English speaking countries.

For questions, contact Barb G., Conference Literature Committee chair:
barb72874@aol.com.

Word length: 750–1200.

Please email submissions to info@oa.org on or before January 31, 2012.

Please put "OA2 Submission" in the subject line. Submitted materials will not be returned.
